Welcome to our latest rally book for 2025. It's an honour to be serving my second year as chairman of The Avon Centre.

A big thank you for all the support of the past committee over the last year. I am also very much looking forward to working with our new committee over the coming year.

Dave our rally secretary has put together an excellent programme for this year. I would also like to thank our rally officers for all their hard work in running the rallies and for finding new venues for us to enjoy, without these people we wouldn't be able to enjoy our weekend and holiday rallies.

We are always looking for new venues especially for the winter months with hard standing, if you know of any please let Dave know.

I am very pleased to announce that due to your generosity in 2024 we raised a massive £7000 for our charity Freewheelers and I hope this year's charity Cots for Tots is as successful.

Sandra and I hope to see lots of you on the rally field this coming year.

Safe journeys to you all.

We were very proud to be able to present a cheque to Freewheelers for a staggering £7000 at our AGM last October and we can only thank everyone for your generosity in giving to this worthwhile cause.

The Avon Centre Charity has been chosen by you
and was announced at our AGM and for 2025 will be

Cots for Tots

Cots for Tots is Bristol's special care baby charity. The charity provides pioneering medical equipment and helps expert doctors and nurses care for over 800 babies born prematurely, or with life-threatening conditions, every year. The charity raises money to save and transform lives at the Neonatal Intensive Care Unit at St Michael's Hospital Bristol, and Cots for Tots House, free 'home from home' accommodation for families of babies from Bristol, the South West, South Wales and beyond.

Below is a brief summary of 'What they do' in their own words.

The Neonatal Intensive Care Unit is at the heart of everything we do

We support the unit through:

Family accommodation: we run three accommodation houses that provide a safe and supportive place for families to stay in while their child is in hospital.

Equipment: we fund state-of-the-art equipment to save little lives.

Music therapy: our music therapist visits the unit every week, delivering sessions to help reduce stress and pain.

Whether we are running fundraising campaigns or working in partnership with the Neonatal Intensive Care Unit to care for patients, parents, and staff, we strive to make the unit the very best it can be.

**SO PLEASE GIVE WHAT YOU CAN SO THAT WE CAN REALLY
HELP THIS AMAZING CHARITY**

An Important Message From Your Treasurer

Due to the popularity of paying by BACS for our rallies we have started to incur bank charges, so wherever possible we are asking that the balance for rallies are paid for with cash on arrival at the rally. (You can continue to pay a deposit by BACS)

This allows the Rally Officer to pay the site owner in cash therefore reducing the amount going through the Centre's Account.

Some Sites do request payment in advance especially holiday rallies but the Rally Officer will advise you of this.

Booking a Rally

Rallies can be booked by sending a slip to the Rally Officer (call the Rally Officer for their address) with a cheque made payable to - AVON CENTRE CAMC

Or you can book on line – www.avoncentre.co.uk/rally-programe click on the rally you wish to book and complete the online booking form; the form will go to the correct rally officer.

You can then pay your deposit by Bank Transfer (minimum £10) to Avon Centre CAMC

Account Number - 29618851

Sort Code - 60-12-22

Reference needs to be your Surname (the name the rally has been booked in) and the number of the rally i.e [Smith 27](#)

A message from your Rally Secretary

Over many years the Avon Centre has been very lucky to have such a varied Rally Programme. This is due to Rally Officers coming forward to run rallies for the benefit of members of our Club. They do this because they find pleasure in giving back and we all appreciate what they do, so thank you Rally Officers for a successful year and all your future rallies for the 2025 season.

We always need new blood and new ideas, if you think you would like to know more about being a Rally Officer or have a venue in mind that would make good weekend or holiday rally, please speak to myself or any Committee Member who will be pleased to give you all the advice they can.

I hope you all enjoy the 2025 Rally Programme and look forward to seeing you on the rally field during the year.

Dave
